LEXINGTON

NOTE: In copy under the items, "H"=height, "T"=top diameter, "B"=bottom diameter. Letters "K"=Gold, "L"= Olive, "T"=Tawny, "D"=Dusky Blue. "HT" suffix means glass is Heat-Treated. Lined versions of items have same dimensions as unlined glass. All dimensions are approximate to nearest ⅛″ and should **not** be construed as specifications. Capacities listed are approximate. Exact specifications are available from Libbey Glass Division, Owens-Illinois, Toledo, Ohio 43693.

Libbey shows all the best ways to raise drink prices gracefully.

Libbey's secret is an open one. Libbey's exciting glassware look simply makes it more of a drink, more of a pleasure to drink, and worth more of a price.

And it's as true of appetizers and desserts, too.

Raising drink prices gracefully is all in the glass. The glass cost increase involved is minimal — a fraction of a cent a serving. The sum of it is that nothing else that costs so little makes you look so good.

Mailed June 9, 1975

Melvin B. Lee
Marketing Manager
Institutional Tableware

June 9, 1975.

Mr. W. E. Hermann,
Primary Des. Patent Exam.,
U.S. Patent & Trademark,
Group 290,
Washington, D. C. 21231.

Dear Mr. Hermann:

Thank you for your request for additional information about Libbey glassware.

We are enclosing a brochure which shows most of the items currently being manufactured by Libbey, and we are forwarding your request for information to the Libbey branch manager who services your area. His name is listed at the bottom of this letter, and his telephone number can be found on the reverse side if you require more immediate information.

Should there be anything further we can do for you, please let us know.

Yours very truly,

M. B. Lee
Institutional Marketing Manager.
